Be sure immigrants are financially self sufficient and not on welfare as soon as they come
No lottery system, replace with a Merit System

Establishment politicians dont want this to change—They are soft on crime, they want open borders, they want high taxes, want socialist style legislation, and broken insurance

GLORIA ALLRED: "everytime you see her you know something is going wrong" LOL

We cannot have a Democrat that is completely controlled by NANCY PELOSI and CHUCK SCHUMER, his name is JONES, he is their COMPLETE PUPPET.

no earthly force can take those rights away and they never will

<<<<This is why our administration will take the power back from global bureaucrats.>>>>

We dont sing a global anthem, we will never surrender our rights to international tribunals.

We protect the American Constitution that we cherish. My job is to president of the USA

There are powerful forces in Washington trying to stop These are evil people. They know who they are. They got their power off of the corrupt this system. They like it this way. We are stopping them. They will lie and leak and smear, because they cannot accept that Trump won by a landslide.

Its called suppression. Fake Polls.

WE NEED LOVE AND HONESTY

I would love to bring both sides together, I dont know if that is possible, but I would like to.

Past politicians--

Would make bad foreign policy after another and bad deal after another, sacrificed our sovereignty. No accountability. Left us with nothing.

We could have rebuilt our country 3 times over with the trillions they wasted, but they failed.

32,000 in Michigan gathered for Trump, only 600 for Hillary

I wanted to do the right thing, I wanted to give back

I have always been good at doing the money thing and I saw what was going on in our country and it wasnt good.

I took this job for the forgotten men and women of this country no more. They are forgotten no more.

Remember the word Deplorable? I was watching her with that speech. She said "Deplorables" and I thought that is not nice. That blew up and that is why she lost. We are all now proud Deplorables!
