**Hollywood elites “eat whole babies for Christmas”**

**according to Jim Carrey, who warns “dark forces” are “engaged in a battle for America’s soul”, and the outcome of this battle will have “long-lasting consequences for the entire world.”**

*“These kids are fattened up for the Christmas table like geese and turkeys, except the animals don’t go through the ritual abuse, the psychological torment that these kids are forced to suffer.”*

*“These people believe the more the child has suffered, the better it tastes. They believe the negative emotions coursing through the kid’s body, the adrenaline and hatred, will give them special powers. It’s a Hollywood thing influenced by old school Satanism.”*

Speaking at a post-screening Q&A for documentary [Jim & Andy: The Great Beyond](#) in New York, Carrey said that Christmas and New Year are a time of year he dreads, because of the “dark energy pulsating around Tinsel Town” and his knowledge of “what goes on behind the closed doors of the elite at this time of year.”

*“Luciferians in Hollywood turn Christmas into the darkest festival of the year,”* Carrey said, before explaining “there is a reason why people around the world feel a heaviness at this time of year.”

*“Institutional oppression and Satanism hang in the air while we are all forced to wear smiles and ignore the gut feeling that all is not well.”*

*“Ever notice how all the homeless children you see*

*throughout the year begin to dissapear at Xmas? You think it's because they've found a home, found shelter, found love and warmth?"*

*"Christmas time is Satanic slaughter time. They are determined to pervert the most beautiful time of the year into a festival of suffering and blood."*

*Jim & Andy: The Great Beyond* charts Jim Carrey's evolution into cult comedian Andy Kaufman for 1999 film *Man on the Moon*, a performance which saw Carrey maintain the Kaufman's oddball identity for the duration of the shoot. However in New York on Friday, Carrey warned of the seriousness of his allegations against Hollywood elite.

*"The entertainment industry is the PR and brainwashing branch of the New World Order, the globalist empire of Luciferianism,"* Carrey said, warning. *"There will be a strong push to normalize Satanism in 2018. Good old-fashioned devil worshipping."*
